March 2, 2000

Sir:

In the matter of the above-identified application, applicants, through their undersigned attorney, acknowledge receipt of a Notice of Allowability mailed February 4, 2000. However, the Notice of Allowability is incomplete since the Notice of Draftsperson's Patent Drawing Review, PTO-948 which is indicated to be an attachment to the notice was not attached.

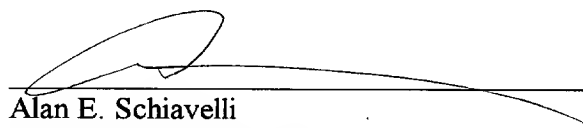

Accordingly, issuance of a corrected Notice of Allowability with the Notice of Draftsperson's Patent Drawing Review, PTO-948 attached thereto is requested. Applicants also request that the period for response to the Notice of Allowability be restarted to begin with the mailing date of the corrected Notice of Allowability.

To the extent necessary, applicants petition for an extension of time under 37

CFR 1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to the deposit account of Antonelli, Terry, Stout & Kraus, LLP, Deposit Account No. 01-2135 (Case: 323.35634X00), and please credit any excess fees to such deposit account.

Respectfully submitted,
